## Build the Community, give us a Brick

(lay the foundation with \$100 a brick)

The Rhenish Church of Canada is committed fulfilling its mission, caring for the community, outreaching and serving our neighbours, adjoining the public, and blessing the neighbourhood. We are very excited that the new building, the Dorcas Community Centre, as an auxiliary establishment of our Church, is in its final stages of completion and is expected to open in the fall.

The entire Dorcas Centre may consist of 24,000 bricks (budget of Dorcas Centre is about \$2.4Million and each brick costs \$100). With the generous giving from you, we have laid 19,800 bricks so far and we need another 4,200 bricks to complete the building. Brothers and sisters (and members of the community) are sincerely invited to contribute the bricks to lay the foundation and complete the building of the Dorcas Centre, in due course.

We are now appealing for your support to Give Us A Brick or more. The more bricks you contribute, the earlier we can complete the building. So that, the community can have a break and fully utilise the new community centre at the soonest.

If you have any questions, please feel free to contact us at dorcas@rhenish.ca. Thank you for your support.
